Keep the Music Playing

From the Presidents' Desk

Dear Guild Members,

I hope you are all doing well and staying healthy. Fall is here with the trees changing colors and the temperatures slowly getting cooler.

I say that the temperatures are slowly cooling because I have still been able to get out and walk in the mornings without having to wear my parka! My husband and I have been hiking Paris Mountain on the weekends and it has not only been beautiful with the falling leaves and changing colors, but has been a respite from being separated from family and friends during this year. I hope each and every one of you has been able to find something to help keep you healthy and your spirits up.

We have been busy working to keep the Guild moving forward. We held our first Board meeting of the year on Oct. 26th by conference call. We received updates from each of the Vice Presidents and had a great discussion on potential ideas for our fundraising events in 2021.

For our Gala, we are investigating multiple options such as having a virtual event and auction or delaying the date. We are looking at a Forties - Big Band theme for the Gala. We plan to make decisions in January as we continue to monitor the virus status.

We are also pursuing potential participants for the Condo Rondo with the hope of holding the event in May. We are also investigating the option of a virtual tour and have some interest from participants for this option. But we will continue to work on this and keep you informed on our progress.

We are also in contact with our other SOVA members to get their ideas on how they are coping with COVID.

I appreciate your patience and support during this difficult year. I truly believe that we will come out of this year stronger and ready to achieve our goal to "Keep the Music Playing".

Thank you again for your support.

Sandy Sanford
2020-21 Guild President
